**Rebecca switched careers—and now knows she’s making a difference for people as a full-time sleep and stress coach.**

“A few years ago, stress was taking a significant toll in my life. I felt tired, weak, lazy, and unmotivated... I knew I needed help.

Even after I did therapy, I still felt 'off'.

So I signed up for PN's SSR Coaching Certification.

**My energy, productivity, and wellbeing have gone from feeling like a 5/10 to a 9/10 most days.**

And I had an epiphany: I didn't just want to help myself, I wanted to help other people too.

So after completing the Certification, I transitioned from doing marketing to becoming a sleep and stress coach.

These days, **I know I'm making a difference** for people; I see it in my clients as they have their own epiphanies.

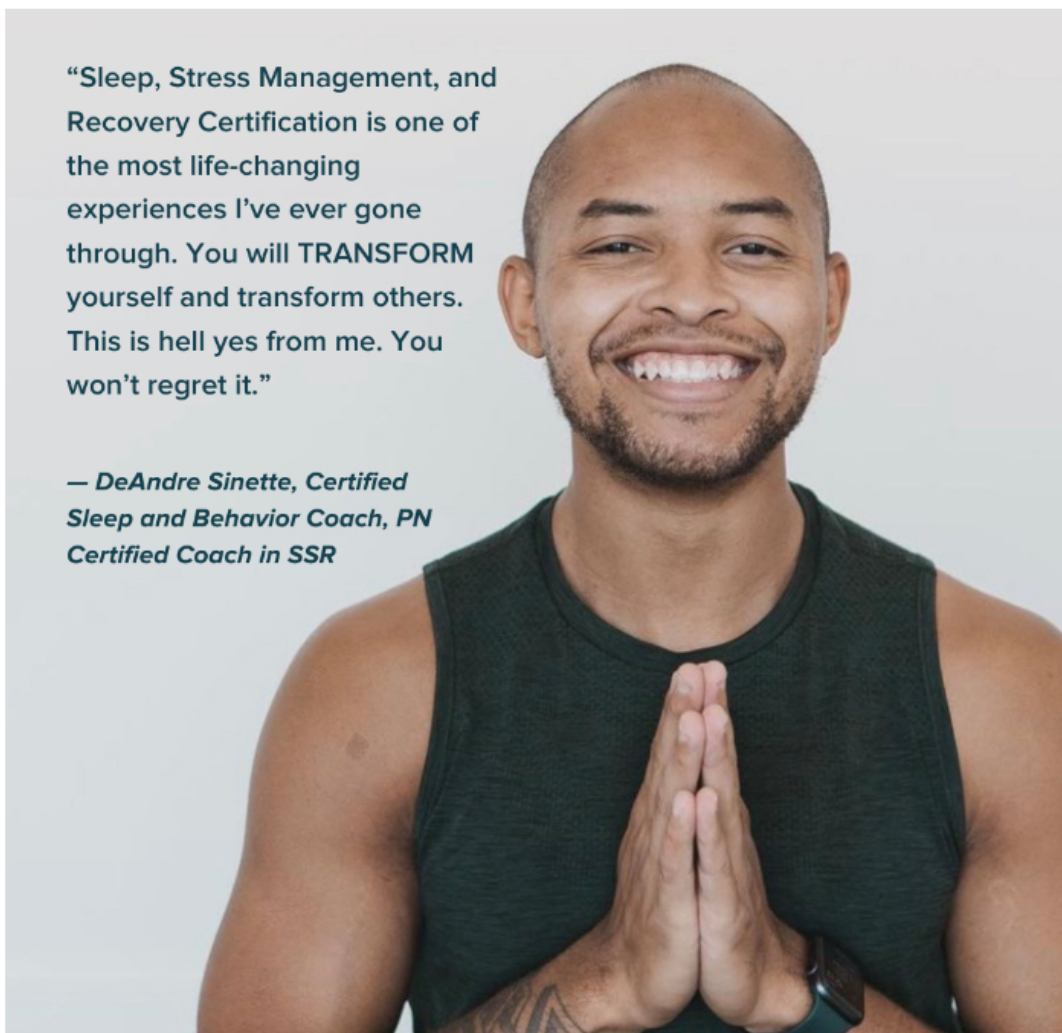

**Coaching is giving me a deep inner sense of satisfaction, and I can't wait to continue the journey."**
